## ACCOMMODATION CLASSIFICATION

### CONVENIENCE

Triangles ▲ featured in the convenience column indicate the level of convenience (heating, toilets, showers, etc.) for each type of lodging. The more triangles ▲ there are, the more comfortable and well equipped the lodging! Please note that if one feature is missing in one of the convenience columns, the level of convenience is automatically downgraded to the previous category. For example, there may be hot water and/or hot showers in a unit rated 1, 2 or 3.

| ▲▲ | ▲▲▲ | ▲▲▲▲ | |
|---|---|---|---|
| • Heating system<br>• Stove<br>• Kitchen, kitchenette<br>• Cold water<br>• Toilet<br>A single ▲ indicates the absence of one or more of the features listed in the previous category ▲▲. | • Heating system<br>• Automatic stove<br>• Kitchen, kitchenette<br>• Refrigerator<br>• Cold water<br>• Indoor toilet | • Automatic heating system<br>• Automatic stove<br>• Kitchen, kitchenette<br>• Refrigerator | • Hot and cold water<br>• Indoor toilet<br>• Hot shower (s) |

### QUALITY

This column indicates the level of quality of the different types of lodging, ranging from basic(★) to superior (★★★★).

| Class | Level of comfort and quality of lodging |
|---|---|
| ★ | Basic |
| ★★ | Average |
| ★★★ | Very good |
| ★★★★ | Superior |
